

Remarks

Claims 1, 7, 17, 18 and 27 are being prosecuted.

By this amendment claim 1 has been amended to include all the limitations of claim 5 (Claims 1, 3 and 5); all of the rejected claims have been deleted; and only claims equivalent to allowed claim 5 and the more restricted claims depending therefrom are now being prosecuted.

Since the application as amended now only contains claims that have been indicated allowable, it is believed no further discussion is required and that this application is in condition for Allowance and such action is respectfully requested.

In an earlier response Applicant replaced some of the Original drawings with corrected drawings that incorporated the changes requested by the Examiner. It is believed that all the drawing requirements have been met but confirmation of this would be appreciated.

Respectfully submitted,
